

Thus, SGPA =

$$\frac{\text{All } \sum \text{Course} [(\text{Credits in each course}) \times (\text{Grade point in that course})]}{\text{Total No. of Credits in that semester}}$$

- iii. The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme, i.e.

$$\text{CGPA} = \sum (C_i \times S_i) / \sum C_i$$

where S_i is the SGPA of the i th semester and C_i is the total number of credits in that semester.

Thus, CGPA =

$$\frac{\text{All semester } \sum [(\text{SGPA in each semester}) \times (\text{Total Credits in that semester})]}{\text{Total No. of Credits in all semesters}}$$

- iv. The SGPA and CGPA shall be rounded off to 2 decimal points and reported in the transcripts.
v. For merit list, in case of equality, the CGPA shall be computed beyond two decimal places till the equality is resolved.
vi. In order to pass a Semester examination, the minimum **SGPA required is 4.0** and a minimum of **4.0 GP** in individual theory, practical and other credit components.

21. ILLUSTRATION OF COMPUTATION OF SGPA AND CGPA

- i. Computation of SGPA (Table No. 9)
ii. Computation of CGPA (Table No. 10)

Table No. 8: Illustration for SGPA

Course	Credit	Grade letter	Grade point	Credit Point (CreditXGrade)
Course 1	3	A	8	3X8=24
Course 2	4	B+	7	4X7=28
Course 3	3	B	6	3X6=18
Course 4	3	O	10	3X10=30
Course 5	3	C	5	3X5=15
Course 6	4	B	6	4X6=24
TOTAL=	20			139

Thus, SGPA = $139/20 = 6.95$

Actual
24/11/23
dy.

Jharkhand, NEP Regulations for FYUGP. 2022 onwards

Letter Grade: It is an index of the performance of students in a said course. Grades are denoted by the letters O, A+, A, B+, B, C, P and F.

Grade Point: It is a numerical weight allotted to each letter grade on a 10-point scale as above:

Table No. 7. Grades and Grade Points Conversion

Class interval of Marks %	Grade Point	Letter Grade	Grade	Conventional Equivalent
90 % and above	10	O	Outstanding	First Class with Distinction
75 to less than 90	9	A+	Excellent	
60 to less than 75	8	A	Very Good	First Class
55 to less than 60	7	B+	Good	Second Class
50 to less than 55	6	B	Above Average	
45 to less than 50	5	C	Average	
40 to less than 45	4	P	Pass	
Below 40	0	F	Fail	Fail
Absent	0	Ab	Absent	

19. CUMULATIVE GRADE POINT AVERAGE (CGPA)

It is a measure of the overall cumulative performance of a student's overall semesters. The CGPA is the ratio of total credit points secured by a student in various courses in all semesters and the sum of the total credits of all courses in all the semesters. It is expressed up to two decimal places.

20. COMPUTATION OF SGPA AND CGPA

- The UGC recommends the following procedure to compute the Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA)
- The SGPA is the ratio of the sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e.

$$SGPA (S_i) = \sum (C_i \times G_i) / \sum C_i$$

where C_i is the number of credits of the i th course and G_i is the grade point scored by the student in the i th course.

[Handwritten signatures and marks at the bottom of the page]

Table No. 9: Illustration for CGPA

Semester 1	Semester 2	Semester 3	Semester 4
Credit: 20 SGPA:6.9	Credit: 20 SGPA:7.8	Credit: 20 SGPA: 7.0	Credit: 20 SGPA:8.4
Semester 5	Semester 6		
Credit: 20 SGPA:7.3	Credit: 20 SGPA: 8.6		

$$\text{Thus, CGPA} = \frac{20 \times 6.9 + 20 \times 7.8 + 20 \times 7.0 + 20 \times 8.4 + 20 \times 7.3 + 20 \times 8.6}{20+20+20+20+20+20}$$

$$= \frac{138 + 156 + 140 + 168 + 146 + 172}{120} = 7.66$$

Transcript (Format): Based on the above recommendations on Letter grades, grade points, SGPA and CCPA, the HEIs may issue the transcript for each semester and a consolidated transcript indicating the performance in all semesters.

22. EVALUATION OF LEARNING OUTCOME

1. Examination Regulation for UG Hons. Programme of 160 Credits

- Semester Internal Theory Examination in Major, Minor and Research Courses will be organized at College/ Institution level. However, Only One End semester evaluation in other courses will be done either at College/ Institution or University level depending upon the nature of course in the curriculum.
- For the units of evaluation (namely tests, seminars, presentations, class performance, field work, thesis and others) the weightage assigned to each of such units in respect of each course shall be determined by the appropriate academic body of the university, and shall be made known to the students at the beginning of the academic session of the year, the semester as the case may be.
- The question papers for the examinations shall be set in such a manner as to ensure that they cover the entire syllabus of the concerned course.
- The tests and examinations shall aim at evaluating not only the student's ability to recall information, which he/she had memorized, but also his/her understanding of the subject and ability to synthesize scattered bits of information into a meaningful whole. Some of the questions shall be analytical and invite original thinking or application of theory.
- Semester Internal Theory Examination (each of 1 hour) in Courses will be organized at College/Institution level.
- There shall be only one Practical Examination (each of 3 hours) in each semester for each paper separately.
- Practical Examinations will be conducted by One External & One Internal Examiners.
